PGA Professional

Dear Parents and Grandparents,

The 2010 Junior Golf program at Bon Air is just around the corner. This program has grown in demand and in quality in recent years. The kids will be broken up into three groups during golf camp (3 hole, 5 hole and a 9&18 hole combined.) They will then concentrate on one area of the game for the entire hour. The subsequent day they will rotate to a different class and work on a different aspect of the game. We feel that this will allow us to personalize the learning experience for the juniors and help them become better golfers.

Once golf camp is over, we will be able to break the juniors down into even more groups based on skill level for the "Thursday Play Days." These groups will include a 3 hole, 5 hole short course, 5 hole long course and a 9&18 hole group. The difference between the 5 hole short and long course is that the short course will be played from the 150 yard marker while the long course will be played from the green tees.

With the golf season quickly approaching we would appreciate your help with the registration process. We would like to have your completed enrollment form submitted to the Golf Shop no later than **June 1st**. (Enrollment packages are available from the club's web site www.bonaircc.com or in the GolfShop). We would like to thank you in advance for your understanding and cooperation in providing us with your enrollment form prior to the deadline. Our ultimate goal is to provide the kids with an enjoyable learning environment and to help them grow as golfers and young adults. After all, they are the future of the game and our club.

Ryan & Tom
