GOLF.....A SPORT FOR A LIFETIME

The Junior Golf Program at Bon Air Country Club will assist you and your juniors in obtaining the goals you have set for them. The professional staff will give you the latest in golf techniques and practice drills and you can put these skills to the test. It is our belief that with golf swing fundamentals and plenty of practice on the range and golf course, you will become an improved player.

During the Junior golf season, each junior has the opportunity to attend group clinics and play on designated "play days". In addition to quality instruction, the staff will be organizing other activities for all Juniors. Private lessons are available from Jeff and Travis at reduced rates for all members of the Junior Golf Program.

In addition to clinics and play dates all juniors will receive a registration gift at the Junior Camp. Snacks and prizes will be available from time to time as well as a season ending pizza party and awards ceremony.
