The Zachary Steven Mistovich Memorial Fund

is dedicated to ongoing ministry that is inspired by the life of Zach Mistovich.

Zach was a young man who found himself in situations that ultimately brought about his incarceration.

While in prison, Zach began a relationship with Jesus Christ through the ministry of Grace Fellowship Church. As a result of this relationship, Zach became a "new man" in Christ. Zach loved people. He helped countless young men find new life and purpose, through study of the Bible, weight-lifting and workout direction and by simply loving and valuing people.

He received a greatly reduced sentence and was one of the first State's prisoners to receive work release.

The Zachary Mistovich Memorial Fund is used to aid young men who have been incarcerated or have had drug and alcohol challenges.

It is our desire to aid these young men in discovering the mercy and grace of Jesus Christ, and through a relationship with Him - building a future of hope and meaningful productivity - all for the glory of God.

The Zachary Mistovich Memorial Fund is a 501c3 organization.

*MANY YOUNG MEN HAVE BEEN
POSITIVELY AFFECTED BY THE ZACHARY
MISTOVICH FUND. HERE ARE JUST SOME
EXAMPLES OF HOW YOUR
CONTRIBUTIONS ARE HELPING ...*

We really want to thank you for your contribution to Weber Sober Homes. If it were not for people contributing to our houses we would not be able to continue supporting men in need of sober living in our community. We really are thankful for people like you that have turned the devastation of the loss of a child into a positive for others to make a change. Your money will help scholarship some men who have no money in the first few weeks, cover drug testing cost and help with repairs on the sober houses. We look forward to attending your golf outing this year!

Thank you so much for the money you donated for my rent. The past couple years have been such a struggle for me. This time around is a totally different perspective. The recovery house I'm at is amazing. Everything has been falling in to place. I was so stressed about being able to buy my son something for Christmas. I owed a bit of money since I came in here, without a dime to my name. Thanks to you, my son will have presents for Christmas. You have no idea how much that means to my son and me. Thank you so much!!
