GOLF.....A SPORT FOR A LIFETIME

The Junior Golf Program at Bon Air Country Club will assist you and your juniors in obtaining the goals you have set for them. The professional staff will give you the latest in golf techniques and practice drills needed to excel. It is our belief that with golf swing fundamentals and plenty of practice your child will have a good start to a lifetime of golf.

During the Junior golf season, each junior has the opportunity to attend group clinics and play on designated "play days". In addition to quality instruction, the staff will be organizing other activities for all Juniors. Private lessons are available from Travis Contres.
