Due to the continued investments that have been made to Bon Air Country Club, the Board of Directors has decided to increase the initiation fees for each membership classification. Initiation fees for all of our membership categories will be increased on April 1, 2027.

INITIATION FEE SCHEDULE

Membership Classification	Current Initiation Fee	New Initiation Fee April 1, 2027

Legacy Program – Children and grandchildren of members in good standing will enjoy **a 50% reduction** off the applicable initiation fee for the desired category of membership.

Prospective New Member Benefits

We want our members to have a compelling story to share with their friends as to why they should join Bon Air Country Club now rather than this spring. We have designed marketing elements to help you overcome the natural questions or objections your friends may have about joining during our fall/winter season.

CURRENT INITIATION FEES!

If your friends join Bon Air Country Club, by signing an agreement that guarantees a membership relationship through February 28th, 2028, they will enjoy the current, and lowest, initiation fee.

TWO INSTALLMENTS!

Prospective new members may pay fifty percent (50%) of the current applicable initiation fee with application and the second fifty percent (50%) installment on April 1st, 2027.

NO DUES!

By joining, during our Fall Celebration initiative, your friends will not pay any operational or capital dues through March 31, 2027. Their normal dues responsibilities will begin on April 1st, 2027.

FULL CLUB USAGE!

Bon Air Country Club is open year round and these new members will have full club usage. They will only be responsible for their cart fees and club purchases during that period of time.

Sponsoring Member Benefits

We would like to thank our membership for making the effort to sponsor new members into the Club during our "Fall Celebration" marketing initiative. Sponsoring members will enjoy statement credits to their account, for each new member they sponsor into the Club during our marketing initiative. The credits will be applied to each sponsoring member's account beginning April 1, 2027 (which is when the new members will begin paying their dues).

MONTHLY STATEMENT CREDITS FOR SPONSORING MEMBERS

If you sponsor a new member into the club you will enjoy a monthly statement credit for each new member:	12 Monthly Statement Credits (Beginning April 1, 2027)
